Career & Transition Support Sponsorship Expression of Interest Application Form – 2009 Projects

Central West NSW Youth Transition Services Inc. (CWYTS Inc) is seeking expressions of interest from schools to support the implementation of Career and Transition Support (CTS) projects at a local level.

A total of \$1500 per school is available in CTS and/or ASP sponsorship. Applications will be assessed based on merit, with school/industry partnerships and capacity building projects encouraged.

All applications received by **4pm, 5 December 2008** will be considered. No late applications will be accepted. Applications will be assessed by CWYTS Management with their decision being final. Applications should be faxed or emailed as per the contact details provided above.

All projects supported through Career and Transition Support sponsorship must be undertaken and completed during the 2009 school year. Depending upon the uptake of this offer a second round of funding may not be offered during 2009. Successful applicants will be required to enter into a funding agreement and supply a tax invoice to CWYTS Inc.

CWYTS Inc encourages schools to consider forming partnerships when applying for funding. This approach allows schools to share coordination of programmes such as, but not limited to, 'Business Concierge'. In 2008 a number of schools took the opportunity to work together on a diverse range of projects. A great example of this was the ACCESS School's 'Schoolroom to Ballroom to Boardroom' which saw one hundred students travel from Trangie, Tottenham, Tullamore, Trundle, Yeoval and Peak Hill to participate in a workshop aimed at enhancing their self-esteem and employability skills. To find out more about this and other successful CTS projects please visit www.cwys.com.au. You'll find them under 'the sort of stuff we do'.

Should you require further information regarding this application process, or any other CTS project, please do not hesitate to contact CWYTS Inc on 02 6331 9911.
