Message

Dear Careers Adviser,

Central West NSW Youth Transition Services is once again offering schools a discounted subscription to WIRL Career – the online jobs guide where students can see and hear about careers rather than reading a paragraph of text.

Unlike other resources, which are just text descriptions of different vocations, WIRL Career is based on individual video segments featuring insights and tips from young practitioners working in different fields. WIRL provides an experience which watching a simple video or reading a job description cannot. It imbues the student with the wisdom of someone who has already been there and knows **What It's Really Like**. To find out more about this fantastic resource please visit www.wirl.com.au

Schools interested in taking up this offer will receive an invoice for 50% of the discounted regional schools subscription fee. On receiving this payment WIRL will then invoice CWYTS Inc for the remaining subscription fees. The cost to your school is dependent on the number of students currently enrolled in year 10. To help you get the most out of your subscription CWYTS staff are also available to deliver a short powerpoint presentation on this resource to staff and/or students.

CWYTS would like to invite you to use this fax back to express your schools interest in this offer.

Should you have any further questions please do not hesitate to contact us on the number above.

Kind regards

Karen

YES we are interested in subscribing to WIRL. Please call me to discuss how much WIRL would cost my school.

The number of Year 10 students currently enrolled is _____

NO we are not interested in subscribing to WIRL
